

HG, SENIOR'S
telegraph: 30
draft to his
nephew. I
send to you!

Who's just read us
the picture of you
as an Eagle Scout
and also of the dad
who may well
be proud of you. 

It is not the
uniform and the
badge that lead
the way to the
top in scouting but
it must come
from within. Be
grateful to your
good mother and
dad for the
fine traits you
possess and
resolve never to
do anything that
will make them
unhappy.  We
all rejoice with
you in your
achievement and
we wish you
all that is good
for you. Love to you
all.

Uncle Henry
